

I fully support comprehensive reform that will provide quality, affordable health care to all 47 million uninsured Americans, including more than [139,000](#) uninsured individuals that live in the counties that make up the 24th Congressional District.

Right now, Congress is in the process of debating the most sweeping health care reform in our nation in the last forty years. The objective of this legislation is to lower costs to consumers, preserve and provide choice of doctors and health plans, ensure stability and peace of mind that coverage can't be delayed or denied, and ensure quality patient-centered care. Three House committees have jointly produced draft legislation.
